

6 June, 2001

To whom it may concern,

Mr. Michael Landay has worked on a freelance basis for the BT Translation Service since 1989 and continues to provide us with Japanese-to-English translations, mainly of a highly technical nature. Mr Landay has in fact been the main supplier of Japanese patent translations to our Intellectual Property Department throughout this entire period, and has supplied large volumes of high-quality work to the full satisfaction of our clients.

Bill Baston (MA (OXON), DipTrans, CITI)
Manager, BT Translation Service
